

Workshop Agenda on
**Exocomets: Bridging our Understanding of Minor Bodies in Solar and
Exoplanetary Systems**
22–26 July 2024

Monday, July 22

09:00-09:30 – *Welcome, introduction, aims of workshop* - All conveners

09:30-09:45 – *Introduction to ISSI* - ISSI staff member

09:45-10:00 – *Tour de Table* (Part 1)

10:00-10:30 – **Keynote 1:** *Overview of Exocomet Observations, 1987-2024* – Rebolledo

10:30-11:00 Coffee Break

11:00-11:20 – *Tour de Table* (Part 2)

11:20-11:50 – **Keynote 2:** *Comets in the Solar System* - Opatom

11:50-12:20 – **Keynote 3:** *A Review of the β Pictoris System* - Lecavelier des Etangs

12:20-12:30 – Additional Q&A for keynotes 1-3

12:30-14:00 Lunch Break

14:00-14:20 – *Tour de Table* (Part 3)

14:20-14:50 – **Keynote 4:** *Protoplanetary disks: theory meets observations* – Nomura

14:50-15:20 – **Keynote 5:** *Techniques for Detecting exocomets and determining their composition* – Kenworthy

15:20-15:30 – Additional Q&A for Keynotes 4 and 5

15:30-16:00 Coffee Break

16:00-16:20 – *Tour de Table* (Part 4)

16:20-16:45 – **Keynote 6:** *Diversity of solar system objects* - Kokotanekova

16:45-17:00 – *Final Tour de Table*

17:00-17:30 – Chapter plans, Discussion and Initial chapter group creation

17:30 Icebreaker Welcome Drink at ISSI

Workshop Agenda on
**Exocomets: Bridging our Understanding of Minor Bodies in Solar and
Exoplanetary Systems**
22–26 July 2024

Tuesday, July 23

09:00 Start of Day 2

09:00-09:20 – Review of Monday's activities

09:20-09:50 – **Keynote 7:** *Exocomet Formation* - Klahr

09:50-10:20 – **Keynote 8:** *Stellar Wind Environments* - Evensberget

10:20-10:30 – Additional Q&A for Keynotes 7 and 8

10:30 - 11:00 Coffee Break

11:00-11:30 – **Keynote 9:** *Dynamics of exocomets* - Beust

11:30-12:00 – **Keynote 10:** *Indirect evidence of exocomets* - Marino

12:00-12:30 – **Keynote 11:** *White dwarf pollution - what it tells us about exocomets' volatiles in aged systems* - Xu

12:30-12:40 – Additional Q&A for Keynotes 9, 10, and 11

12:40-14:00 Lunch Break

14:00-15:00 – Parallel, in initial groups: Brainstorm on book chapter topics

15:00-15:30 – Plenary: report on Brainstorm session

15:30-15:40 – Workshop Photo, if weather allows

15:40-16:00 Coffee Break

16:00-16:30 – Discussion of final chapter small groups

16:30-17:30 – Opportunity for 'walk-on' talks, covering topics not included in plenaries, or topics arising from them/discussion.

17:30 End of Day 2

Workshop Agenda on
**Exocomets: Bridging our Understanding of Minor Bodies in Solar and
Exoplanetary Systems**
22–26 July 2024

Wednesday, July 24

09:00 Start of Day 3

09:00-10:30 – Opportunity for ‘walk-on’ talks, followed by working on chapter development in final small groups

10:30-11:00 Coffee Break

11:00-13:00 – Working on chapter development in final small groups

13:00 Lunch, then afternoon for sightseeing

ISSI facilities remain available for those who wish to work.

19:00 Workshop Dinner

Casa Novo, Läuferplatz 6/8,
3011 Bern
www.casa-novo.ch

Workshop Agenda on
**Exocomets: Bridging our Understanding of Minor Bodies in Solar and
Exoplanetary Systems**
22–26 July 2024

Thursday, July 25

09:00 Start of Day 4

09:00-10:30 – Group leaders from each small group present what the small group envisions for its respective chapter.

Discussion of each chapter with the whole group.

10:30-11:00 Coffee Break

Small group discussions continue, with:

12:30-14:00 Lunch Break

15:30-16:00 Coffee Break

17:30 End of Day 4

Workshop Agenda on
**Exocomets: Bridging our Understanding of Minor Bodies in Solar and
Exoplanetary Systems**
22–26 July 2024

Friday, July 26

09:00 Start of Day 5

09:00-10:00 – Overview summary of week's activities - Conveners

10:00-10:30 – Reports from each small group

10:30-11:00 Coffee Break

11:00-12:00 – Reports from each small group, continued

12:00-13:00 – Organize future work; discussion of potential follow-on workshops.

13:00 Workshop Ends

Afternoon: ISSI facilities remain available to those who wish to continue working.
