

Workshop on “What’s under the Hood? Towards consensus on the local value of the Hubble constant” 24-28 March 2025

CONVENERS

Anderson	Richard	EPFL - Swiss Federal Technology Institute of Lausanne, Switzerland
Casertano	Stefano	Space Telescope Science Institute, Baltimore, USA
Di Valentino	Eleonora	University of Sheffield, UK
Leibundgut	Bruno	European Southern Observatory, Garching, Germany
Nota	Antonella	ISSI, Bern, Switzerland
Riess	Adam	Johns Hopkins University, Baltimore, USA
Verde	Licia	University Barcelona, Spain

PARTICIPANTS

Anand	Ganandeep	Space Telescope Science Institute, Baltimore, USA
Beaton	Rachel	Space Telescope Science Institute, Baltimore, USA
Bhardwaj	Anupam	University Center for Astronomy and Astrophysics, India
Blakeslee	John	NOIRLab, Tucson, USA
Boubel	Paula	Australian National University, Canberra, Australia
Breuval	Louise	Space Telescope Science Institute, Baltimore, USA
Brout	Dillon	Boston University, Boston, USA
Cantiello	Michele	INAF-Osservatorio Astronomico d'Abruzzo, Teramo, Italy
Csörnyei	Geza	Max Planck Institute for Astrophysics, Garching, Germany
De Jaeger	Thomas	Sorbonne University / LPNHE - IN2P3, Paris, France
Dhawan	Suhail	University of Cambridge, Cambridge, UK
Galbany	Lluís	Institute of Space Sciences (ICE-CSIC), Barcelona, Spain
Gil-Marín	Héctor	University of Barcelona, Barcelona, Spain
Graczyk	Dariusz	Nicolaus Copernicus Astronomical Center, Warsaw, Poland
Huang	Caroline	Harvard University, Cambridge, US
Jensen	Joe	Utah Valley University, Orem, USA
Kervella	Pierre	Paris Observatory, Paris, France
Khaled	Said	University of Queensland, Australia
Lengen	Bastian	EPFL - Swiss Federal Technology Institute of Lausanne, Switzerland
Li	Siyang	Johns Hopkins University, Baltimore, USA

Ozulker	Emre	University of Sheffield, UK
Pesce	Dominic	Harvard University, Cambridge, USA
Cruz Reyes	Mauricio	EPFL - Swiss Federal Technology Institute of Lausanne, Switzerland
Romaniello	Martino	European Southern Observatory, Garching, Germany
Schöneberg	Nils	University of Barcelona, Spain
Scolnic	Dan	Duke University, North Carolina, USA
Sicignano	Teresa	European Southern Observatory, Garching, Germany
Skowron	Dorota	University of Warsaw, Poland
Uddin	Syed A.	University of South Carolina, USA
Vincenzi	Maria	Oxford University, UK
