

Workshop on “Tipping Points and Understanding EO data needs for a Tipping Element Model Intercomparison Project (TipMip)” October 10 to 14, 2022

CONVENERS

Bartsch	Annett	b.geos GmbH, Austria
Brovkin	Victor	Max Planck Institute for Meteorology, Germany
Donges	Jonathan	Potsdam Institute for Climate Impact Research (PIK), Germany
Hebden	Sophie	European Space Agency Climate Office, United Kingdom
Lenton	Tim	University of Exeter, United Kingdom
Liddy	Hannah	Center for Climate Systems Research, USA
Mecklenburg	Susanne	ESA ESCAT, Oxford, United Kingdom
Rast	Michael	ISSI Bern, Switzerland
Shepherd	Andrew	University of Leeds, United Kingdom
Van der Wel	Narelle	World Climate Research Programme (WCRP), Switzerland

DRAFT LIST OF PARTICIPANTS

Abis	Beniamino	Max Planck Institute for Meteorology, Germany
Bastiaansen	Robin	Utrecht University, The Netherlands
Bastos	Ana	Max Planck Institute for Biogeochemistry, Germany
Bathiany	Sebastian	Technical University of Munich, Germany
Boers	Niklas	Technical University of Munich, Germany
Boulton	Chris	University of Exeter, United Kingdom
Calamita	Elisa	Eawag, Switzerland
Ciais	Philippe	CEA Saclay, France
Claussen	Martin	Max-Planck-Institut for Meteorology, Germany
Conversi	Alessandra	ISMAR Istituto di Scienze Marine, Italy
Donner	Reik	Potsdam Institute for Climate Impact Research (PIK), Germany
Gudmundsson	Hilmar	Northumbria University, United Kingdom
Hegerl	Gabi	University of Edinburgh, United Kingdom
Hegglin	Michaela	University of Reading, United Kingdom
Hugelius	Gustaf	Stockholm University, Sweden
Jones	Richard	Met Office, United Kingdom

Kim	Hyungjun	Korea Advanced Institute of Science and Technology (KAIST), South Korea
Krishnamurthy	Krishna	University of California Los Angeles, USA
Landolfi	Angela	CNR, Italy
Lever	Jelle	Eawag, Switzerland
Loriani	Sina	Potsdam Institute for Climate Impact Research (PIK), Germany
Maslowski	Wiesław	Naval Postgraduate School, USA
Nagler	Thomas	Enveo IT GmbH, Austria
Nowicki	Sophie	University of Buffalo, USA
Pausata	Francesco	University of Quebec in Montreal, Canada
Payne	Tony	University of Bristol, United Kingdom
Rapley	Chris	University College London, United Kingdom
Romanou	Natassa	NASA Goddard Institute for Space Studies, USA
Runge	Jakob	DLR, Germany
Seneviratne	Sonia	ETH Zürich, Switzerland
Stocker	Thomas	University of Bern, Switzerland
Swingedouw	Didier	Université de Bordeaux, France
Turner	Briony	European Space Agency (ESA), United Kingdom
Verbesselt	Jan	Wageningen University & Research, The Netherlands
Winkelmann	Ricarda	Potsdam Institute for Climate Impact Research (PIK), Germany
Wood	Richard	Met Office, United Kingdom
Yao	Tandong	Chinese Academy of Sciences (CAS), China
